APRIL 7, 2014

1. Please find below the list of the students who gained the right to participate in Erasmus Student Mobility Program in **2014-2015 Academic Year Fall semester.**
2. The number of the students who will receive Erasmus Grant will be determined according to the amount of grant that will be given by the Turkish National Agency. As this amount has not been announced by the National Agency yet, the students listed below are "CANDIDATES". The students will be informed about the grant distribution following the announcement of National Agency.
3. The students who cannot be placed in any university due to lack of quota will be substituted with the place of students who give up their right of Erasmus Student Mobility.
4. The Erasmus grant will be given to the students according to their Erasmus grade. If a student withdraws his/her application, then the grant and the quota of this student will be transferred to the one who could not be placed any university.
