

.../.../.....

To İzmir University of Economics, Office of International Affairs,

I am studying at ..... department at İzmir University of Economics. For ..... Academic Year ..... term, I applied to participate in Erasmus + study mobility and I could not be placed in a university due to lack of quota.

As a result of my review of the remaining quota list, I would like my application to be reconsidered for placing in one of the universities I listed below.

Best Regards,
