

You must take all courses except the common-equivalent courses between the department you are studying and the department you will be doing a Double Major at.

- Courses taken in the Double Major Program;
- cannot be less than 75 ECTS credits in total for undergraduate degree students,
- cannot be less than 60 ECTS credits in total for associate degree students.

Common-equivalent courses are determined by the "Double Major Program Coordinator". Therefore, before applying to the program or after being admitted, you should meet with your DMP Coordinator.
