

HOW TO ADD-DROP ENROL IN A COURSE

I. WHO CAN MAKE USE OF ADD/DROP PERIOD?

I. I. The ones who did not enroll to a course although they paid their tuition fee or the ones who pay their tuition fee late

Log in to OASIS with your password and click **Course Enrollments /Undergraduate and Associate Course Enrollments** buttons respectively. Determine the courses you need to take this semester choose them as stated below and send for advisor approval.

I. II. The ones who have lacking course

Log in to OASIS with your password and click **Course Enrollments /Undergraduate and Associate Course Enrollments** buttons respectively. Choose your lacking course and your section from the screen. If you do not need to do anything else click "Save" button.

I. III. The ones who want to drop a course they enrolled

Click "Delete" button across the course you want to drop which is listed in "Enrolled Courses" field. After completing, add/drop procedure click "Save"

Please select the new course you want to take and its group from the "Courses to Take" list or, if you have the option to take an elective course, enter the course code in the "Elective Courses" section to explore alternative groups and schedules, then choose the suitable course. Once you have completed all your selections, click the "Save" button to submit it for advisor approval.

NOTE: Once you drop a course, its quota will be available for others. So, please pay attention not to drop your course before being sure about your decision and be sure about the conditions of the course you want to add (the date, time, quota, etc. of the course).

I. IV. The ones who want to change a course they have enrolled

- "From the 'Courses You Have Registered' section, click the 'Search' button next to the course for which you want to change the group. Examine the alternative groups and schedules to determine the group you want to change to."
- If you do not need to do anything else click "Save" button.

I.V. Students with tentative approval

If your Advisor has given Tentative Approval for the course(s) you registered for during the initial registration, the reason for tentative approval will appear when you hover over the  symbol to the left of the course in the "Courses You Registered" field. It is important that you take into account your advisor's recommendations.

Courses You've Registered				Course
Course Code - Name	ECTS	Section		
  PRA 316 - Public Relations Campaign	6	1		08:30
ENG 102 - Academic Skills in English II	4	3		
GEEC 204 - Modern World Economy	6	3		10:20
PRA 204 - Principles of Advertising	5	1		
PRA 210 - Consumer Insight	6	1		11:15
Total ECTS: 27				

"The new course registrations or course changes made during the Add/Drop period must be approved by the Advisors. If not approved by the Advisors, the transactions will not be valid and cannot be transferred to the system."

"The Spring Semester has started as of February 19, 2024. Therefore, courses not added or dropped during the add/drop period will be considered as absences."

I. LOGIN TO OASIS

Log in to the system with your OASIS password, PIN code and verification code (CAPTCHA).

If you have never logged in to OASIS before, you can learn how to receive your OASIS password and how to make your security settings at <https://www.ieu.edu.tr/tlc/en/about-smart-campus> address.

II. COURSE ENROLLMENTS

After logging into OASIS, you may enroll in a course by clicking on **Course Enrollments /Undergraduate and Associate Course Enrollments** buttons respectively.

The university may make changes in the courses and the programs students have chosen.

The users may view the pages either in Turkish or in English.

Figure 1: *Entering Course Enrollments Screen*

II.I. Course Enrollment Screen and Explanations

II.I.1. Academic Status

In this section, you can see your CGPA, your class, total number of ECTS credits you took, your total course load for the relevant semester.

Class	Grade Point Average (GPA)	Academic Status	Explanations
1	0,00 - 1,49	Academic Inadequacy	Interactive Registration (*)
2	0,00 - 1,69		
3	0,00 - 1,79		
1	1,50 - 1,99	Academic Probation	Interactive Registration for 3rd and 4th grade students in undergraduate degree programs and 2nd grade students in Vocational School 2
2	1,70 - 1,99		
3	1,80 - 1,99		
4	1,80 - 1,99		
	2,00 - 4,00	Successful	Regular Registration

Students, who are required to do interactive registration, enter their OASIS passwords with their advisor by using computers on campus local network during add-drop period.

240 ECTS credits are required in order to graduate from Undergraduate (4 years) Programs;

120 ECTS credits (European Credit Transfer System) are required in order to graduate from Associate (2 years) Programs.

Please pay attention to the ECTS credits of the courses when you are enrolling in order to meet the total credit requirement.

1.85 GPA	3 Class	32 Course Load(ECTS)	120 Total ECTS
-------------	------------	-------------------------	-------------------

Figure 2: Academic Status

a) Students, given that they do not exceed their regular course load (32 ECTS credits per semester), have to take the following courses in the below order in order to obtain specified cumulative grade point averages:

- **failed courses (FF, FD, W, U) and non-attendance (NA) courses,**
- **courses from lower grades they have not taken before,**
- **courses from current grade they have not taken yet.**

b) Students may take courses, they have taken before and want to raise grades for, with the approval of their advisor.

c) Students may take course(s) of maximum 12 ECTS credits from upper grade provided that they get their advisor's approval. **However, students, who fail to obtain the grade point average for more than four semesters in the same grade (cumulative GPA of 1.50 at the end of first grade, 1.70 at the end of second grade, 1.80 at the end of third grade), lose their right to take a course from upper grade.** The semesters, in which the student fails to renew registration, are included in the four semesters' calculation.

II.I.2. Search for your Courses

The courses you failed, and all the courses you can take in the relevant semester from lower/current grades are included.

Students, who have received an FF, FD, NA, W or U in any course, or have not taken a course during the regular semester, **have to repeat it in the first semester the course is offered.**

Search For Your Courses

Figure 3: Courses You Can Take

Course Categories			
Current Semester Courses	Failed Courses	GEC Courses	Compulsory Courses from Lower and Upper
Major/Minor Courses	Elective Courses	Grade Improvement	

The kind of courses stated here are specified in above colors.

Green: Indicates the courses you need to take in the respective semester based on the department/program instruction plan for your grade.

Red: Indicates the courses that you were unsuccessful before and you have to take. You may change the section of the course by examining the alternative day, hour and classes of the course

Turquoise: Indicates the Compulsory Courses from Lower and Upper classes.

Purple: Indicates Elective Course.

Blue: Indicates the General Education Course pools.

Orange: Indicates Double Major Program (DMP)/ Minor Program (MP) courses.

Yellow: Indicates the courses taken to Grade Up Lessons.

You can see the number of sections from the “Number of Section” column across the course. You can see the weekly course schedule and the quotas for that course in “Search Results” by clicking to “Search” button. You can enroll to a course you wish by clicking the “+” button in the “Add” column.

II.I.3. Searching for Compulsory Courses from Upper Grades

When you want to take a compulsory course from the upper grade, you can select the course from the "Upper Required Courses" field, search by typing the code of the course or the name of the course.

Upper Required Courses

Figure 4: Searching for Compulsory Courses from Upper Required Grades Screen

II.I.4. Double Major/Minor Courses

The Double Major Program (DMP)/ Minor Program (MP) courses that DMP/MP students must take are included in the "Courses You Can Take" field. The elective courses to be taken for DMP/MP can be taken by selecting the course from the "Elective Courses & Double Major/Minor Courses" field, searching for it by typing the code of the course or the name of the course, and ticking the DMP/MP box on the right.

Students can take 48 ECTS credit courses the most in a semester in addition to double major, minor program courses.

Students enrolled in **Double Major Program (DMP)** and **Minor Program (MP)** can enroll by ticking the **DMP/MP box** on the right side of the course after searching for the elective courses to be taken in this program from the Elective Course Search field.

Figure 12: Weekly Course Schedule

In this section, the weekly course schedules made up of the courses the students enrolled can be seen. In here, the course code, hour and class of the course are shown. The program renews itself each time the student adds or drops courses.

II.I.11.Save

After completing all the steps above about your course enrolment, **click “Save” button and complete your course enrolment procedures.**

 SAVE

Course enrolment screens will close on **Thursday, February 29, 2024 at 11.00**. You may make changes on the previously saved courses. Please click on “SAVE” button after each change you make. **“THE LATEST SAVED VERSION”** of the changes you make **will be taken into consideration**.

III.2. Interactive Registration

Students who require Interactive Registration are required to make their course registration approval by meeting with their advisor.

III.3. Invitation for Interactive Approval

Students, who are not subject to Interactive Registration, may be invited by their advisors for Interactive Approval when necessary.

Students, who are invited for Interactive approval by their advisors, are instantly sent OASIS and GSM messages.

Students in this situation must meet with their advisor to get course registration approvals.

III.4. Full Approval

Full approval is granted by the advisor when all courses, selected by student, are in accordance with the regulation.

III.5. Tentative Approval

Tentative approval may be granted for courses, which are selected in accordance with the regulation, that are not recommended by the advisor to be taken for that semester. The justification for tentative approval is recorded in the system.
