

This badge certifies that the bearer has accomplished the following:

1. Collaborated with partners to decide on a PD project by equally contributing.
2. Took equal responsibility to do extensive research (which books, which levels, which texts needed improvement) in the preparation stage and take all the necessary steps.
3. Identified areas needing development to improve reading skills and performance on assessments.
4. Selected texts that needed improvement in terms of question types.
5. Improved knowledge and practice of producing in-house materials to supplement the course book in accordance with students' needs.
6. Shared the materials designed with colleagues through the CMDU Blackboard page.
