

This badge certifies that the bearer has accomplished the following:

1. Raise awareness about a needs analysis process with students in a low-level language classroom.
2. Relieve stress among students by facilitating the acquisition of the target language by making use of video aimed at written and oral production.
3. Enhance knowledge of the positive effects of observation, reflection, and feedback.
4. Stimulating inputs into intakes; intake as the part of input that stays in the stores of long-term memory.
