

This badge certifies that the bearer has accomplished the following:

1. reflected on their own and others' teaching landscapes and beliefs
2. identified areas where teaching is challenging
3. considered alternative ways to address these challenges
4. tested solutions to these challenges
5. participated in peer observation with fellow teachers investigating the same challenges
6. presented their findings to the group
7. reflected on their experiences
8. re-evaluated their teaching beliefs
