

This badge certifies that the bearer has accomplished the following:

1. Gained a deeper understanding of how AI can be integrated into teaching a foreign language, enhancing both instruction and learner engagement.
2. Utilized various AI tools to help learners improve their writing skills by providing targeted feedback and generating personalized writing tasks.
3. Supported learners in improving their listening skills outside the classroom by using AI-driven tools and resources that encourage self-directed learning.
4. Created listening and video materials using free AI tools, tailored to meet specific learning objectives and contexts.
5. Effectively utilized AI-powered teaching tools to enhance lesson preparation and material development.
6. Used image editing tools to create engaging visuals that complement lesson content and improve the overall learning experience.
7. Experienced hands-on practice with AI tools and received feedback from colleagues to refine and enhance teaching strategies.
