

Lesson Self-Reflection Template

1. **What is the evidence of achieving my lesson objectives?**
Provide examples or observations that indicate whether objectives were met.

2. **I feel pleased because I noticed that...**
Reflect on positive moments of student engagement.

3. **What would you have done differently, and why?**
What alternative approaches or strategies could you have implemented during the lesson? Why would these changes be beneficial?

4. **What was the ratio of Teacher Talking Time (TTT) to Student Talking Time (STT)?**
Evaluate the balance between your speaking and students' speaking.

5. **How did I encourage 'student production' during the lesson?**
Describe activities that promoted student speaking, writing, or other forms of output.

6. **How effectively did I manage the lesson time?**
Reflect on pacing and transitions between activities.

7. **How did I check that students understood the instructions and concepts?**
Describe methods used to ensure comprehension, such as asking students to repeat instructions or using comprehension checks.

8. **How did I provide feedback to students?**
Explain the nature and effectiveness of the feedback given.

9. **The points that I think I need to work on are...**
Identify specific areas where you seek to improve.

10. **Any other observations or thoughts:**
Use this space for any extra reflections or insights.
