

This badge certifies that the bearer has accomplished the following:

1. Made the grammar lessons attractive and enjoyable through using to the point visuals and helpful exercises.
2. Adapted more learner center approach while preparing example sentences and exercises.
3. Became acquainted with the format and genre specific to lesson planning.
4. Realised how important it is to plan lessons keeping learners' needs and expectations in mind.
5. Realised how valuable and effective it is to exchange feedback immediately after the lesson is over.
