

This badge certifies that the bearer has accomplished the following:

1. Enhanced knowledge of observation, reflection, and feedback.
2. Achieved more productive classroom activities when switching between English and L1.
3. Engaged in interactions with colleagues about the use of L1 in their classrooms when reflecting on their lessons.
4. Decreased the use of L1 in the classroom and use English more, accordingly, as the level of the students get higher and, thus, need less L1 to communicate in the foreign language
5. Made students in higher levels happier and more confident.
