

This badge certifies that the bearer has accomplished the following:

1. Adapted and replaced outdated media used in the coursebook for dialogues with age-appropriate media (ex. WhatsApp instead of letter)
2. Ensured the authenticity of topics redesigning and adapting topics in the coursebook.
3. Redesigned the classroom environment to make it easier and more motivational for students to empathize and increase their active participation.
4. Discovered other ways of language/dialogues presentation in class (background, movement, etc.)
