

This badge certifies that the bearer has accomplished the following:

1. Explored and improve methods of data collection and data analysis and gained/increased knowledge of the motives and factors that impact students' success and failure throughout the Prep Programme.
2. Helped students gain awareness of their study habits and attitudes towards learning by implementing questionnaires on a regular basis.
3. Acted on the collected data and consider the necessary measures and implementations to increase students' success rate.
4. Expanded repertoire of educational technologies to help students succeed in and out of classroom
5. Reflected on the whole professional development.
