

Badge Name: Critical Thinking Skills Participant

Language: English

Course Instructor: Mary Jane Meryem Ozkurkudis

Issuer: School of Foreign Languages, Izmir University of Economics

Issue Date: April 2021

Description: Participants have attended/ watched two interrelated webinars on critical thinking skills, one focusing on the impact of culture on these skills and another on how to integrate critical thinking skills into teaching.

[Webinar 1: The Impact of Culture on Critical Thinking Skills](#)

[Webinar 2: Integrating Critical Thinking Skills into Teaching](#)

Having attended/ watched the webinars participants are able to:

- differentiate the characteristics of high-context and low-context cultures.
- identify the qualities of individualistic and collectivist societies.
- describe the impact of culture on critical thinking skills.
- define what critical thinking skills are.
- distinguish lower-order and higher-order thinking skills.
- implement tasks that foster critical thinking skills in each language skill.
- engage in critical thinking activities.

Criteria: The badge receivers have either attended the webinars “live” or watched the webinars via web links shared with them. These activities have been verified by the course instructor.

This QR code will take you to the repository where the badge can be found on the web.
