

This badge certifies that the bearer has accomplished the following:

1. Prepare the students mentally for learning at their own level and to raise awareness of their language deficits.
2. Develop automation: practicing without thinking, training of linguistic fluency in FSU.
Raising awareness of linguistic resources was not essential.
3. Enable students to apply what they have learned in communication and help them overcome their fear and shame of making mistakes.
4. Facilitate how to remember vocabulary and improve speaking skills.
