

This badge certifies that the bearer has accomplished the following:

1. Improved knowledge on the place of reflection within education based on teachers' and students' comments about the impact of Covid19 on education.
2. Incorporated student based reflective activities into classroom based and online lesson plans.
3. Implemented a variety of reflective activities with students in classroom based and online activities.
4. Developed and reflected on different methods to increase student reflection.
5. Presented the methods and outcomes of the reflective activities as part of an online workshop series.
