

This badge certifies that the bearer has accomplished the following:

1. Identified the learners' need to receive face-to-face feedback during forced online education,
2. Developed and reflected on different methods to deliver face-to-face feedback,
3. Discovered how to deliver feedback to learners via the video platform of Blackboard,
4. Presented the method and outcomes of the face-to-face feedback delivery method as part of an online workshop series,
5. Encouraged others to implement the same procedure.
