

This badge certifies that the bearer has accomplished the following:

1. Raise awareness about alternative ways to improve language skills and promote our school and teaching style implicitly on social media by sharing some samples from our teaching style and student work.
2. Assist students in developing their English language proficiency and communication skills through entertaining content and online meaningful interactions with peers.
3. Motivate learners who are striving to improve their language to study more effectively by sharing practical and convenient ways of studying.
4. Assist everyone including our current prep students and our students who have already finished prep school improve their vocabulary and grammar and also keeping them up-to-date by implementing quizzes made from authentic news and current events on Instagram stories.
5. Organise a digital language source for both teachers and students where they can communicate, collaborate, and share resources with other people.
