- Essay questions require the Instructor to provide a question or statement to which students respond into a text field.
- If desired, a model answer can be added to use as a reference. This should only be included if the correct answers of the exam in question are set to be displayed to students after completing the exam.
- Essay questions must be graded manually by the instructor.

- File Response questions require students to upload a file from their computers as the answer to the question.
- You grade these questions manually.
- Students can work on something before a test and submit it with the test, particularly if it requires a large amount of text.
- Submitting the answer this way also allows you to download, review, and assess the submission later without an active internet connection, although you will still need to access the Grade Center to assign a grade.

Save Answer

Locate the nucleolus in this plant cell.

- In a Hot Spot question, users indicate the answer by clicking a specific area of an image. A Hot Spot refers to a pre-defined range of pixel coordinates within an image that when clicked indicates a correct answer.
- The hot spot can only be in the shape of a rectangle. Circles, triangles and/or other shapes are not available as hot spot areas.
- JPEG and GIF files are the preferred formats for image uploads. Only **1** hot spot on the image can be chosen per question.
 - Anatomy: to locate different parts of the body
 - Geography: to locate areas on a map

How old is the oldest oceanic crust?

- ☒ a. 200 million years
- ☐ b. 500 million years
- ☐ c. 2 billion years
- ☐ d. 8 billion years

- Multiple choice questions allow students several choices with only one correct answer.
- You can specify partial or negative credit for Multiple Choice questions. Partial credit rewards students whose answer demonstrates incomplete mastery of the material. Use negative credit to discourage guessing.

[Answer the following statement with a question and use a question mark.]

The conversion of sediment to rock.

What is lithification?

- This type of question is a way to add fun to tests such as self-assessments or in-class contests.
- With Quiz Bowl Questions, the user is shown the answer and must respond by entering the correct question into a text box. Responses must include a phrase and a question word, (such as Who, What, When or Where) to be marked as correct. Partial credit may be given if the question word is not included in the answer.
