Smart Campus Tools for Students

EkoID enables you to access your university email account, Emax announcement system, printing facilities, and wifi on campus. You should visit **https://oasis.izmirekonomi.edu.tr/site/login-registration** to activate your EkoID and get your OASIS login information.
Make sure you check the email account provided by the university on a regular basis. All administrative and academic announcements as well as the notifications sent through the learning management system are emailed to your university email address. You can access your university email through **https://zcstd.izmirekonomi.edu.tr/**

For Support:
If you have any question regarding the use of the system, please send an email to **smartsupport@ieu.edu.tr** or visit the IT Department Help Desk (HelpDESK Block A – Ground Floor).

Panopto™ is the class-recording platform that allows instructors to video record and share their classes and visual materials they use during classes. If students cannot attend classes, they can follow them by watching the class video recordings. Panopto works in integration with Blackboard Learn and course video recordings are restricted to the access of registered students only. To access your course videos, go to the menu of the relevant course in the Blackboard Learn system and click on the Panopto tab on the right side.

For support:
If you have any questions about the use of the system, please send an e-mail to **smartsupport@ieu.edu.tr**.

Blackboard learn™ is an internet-based learning management system which enables instructors to share course materials with students, design exams and assignments. Students can access the materials of the courses at any time from any internet accessible environment. Students can communicate with their instructors and other students in interactive environments tools such as forums, blogs, and discussion boards.
To access our University Blackboard Learn home page please go to **https://ieu.blackboard.com** via your browser. Use your student number for Username and use your Oasis Password for your password. Since OASIS works in integration with the Blackboard system, you can see all of the courses you are enrolled as student on Blackboard Learn.
