(Organizational & Administrative Student Information System) is the web-based student information system that enables you to enroll in courses, check your course final grades, receive transcript and other documents.

OASIS account activation:

1. Go to <https://oasis.izmirekonomi.edu.tr>
2. Click on the "Activate My Account" link.
3. Enter your student identification number in "User ID" part, and click on "Activate" button.
4. Your temporary OASIS password will be sent to the Webmail account.
5. Get your temporary OASIS password from your email, log in to the OASIS system one more time and create a new password and a PIN code. Do **not** use Turkish characters (such as ü, ş, ı, İ, ö, ç) when setting up a new password.

If you have any questions regarding the use of the system, please send an email to ybs@ieu.edu.tr. Tel: 232 488 8540

Blackboard learn⁺

Blackboard Learn is an internet-based learning management system which enables instructors to manage and create their course materials, assignments and exams. Students can access their course materials at any time from any internet accessible environment and communicate with their instructors and other students through interactive tools such as forums, blogs, and discussion boards. To access our University Blackboard Learn home page please go to <https://ieu.blackboard.com> Use your OASIS User ID as Username and your OASIS Password as your password. Since OASIS works in integration with the Blackboard system, you can see all of the courses you are enrolled as student on Blackboard Learn.

If you have any questions regarding the use of the system, please send an email to TLC@ieu.edu.tr.
