EkolD

EkolD is the common username used to access IT services offered online for academic, administrative personnel and students at Izmir University of Economics. By using your EkolD, you can access your email account, personal web space, myIEU portal, print out system, wireless internet network and other online IT services.

Upon completion of the official job application process and submission of data to the Human Resources Department by the respective faculty/department secretariats, academic and administrative personnel can get their EkolD activation forms from the System and Operations Department IT Support.

EkolD activation:

1. Go to the EkolD website at <http://ekoid.ieu.edu.tr>
2. Click on the "Create EkolD Account" button that best matches your role.
3. Enter the Login Key found on your EkolD form in the appropriate box.
4. Enter your Turkish Republic Identity Number in the appropriate box (If you do not have a TR Identity Number, you should enter your Passport Number).
5. Check your personal information on the screen and fill in the necessary fields.
6. After reading the account user policy, click the "I accept, create my account" button to create your EkolD account.
7. All university announcements are available on your IEU Webmail account, which you can access by visiting <https://zcstf.izmirkonomi.edu.tr> and entering your EkolD and password.

If you have any questions regarding the use of the system, please send an email to itsupport@ieu.edu.tr. Tel: 232 488 8279

Panopto™

Panopto is the class-recording platform that allows instructors to video record and share their classes and visual materials they use during classes. If students cannot attend classes, they can follow them by watching the class video recordings. Students can also benefit from Panopto class recordings when they wish to review those subjects they have not fully understood in class. Panopto works in integration with Blackboard and course video recordings are restricted to the access of registered students only.

If you have any questions regarding the use of the system, please send an email to TLC@ieu.edu.tr.

Tel: 232 488 5803 / 232 488 5835 / 232 488 8225

zoom

Zoom is an interactive platform and virtual classroom tool that enables video conferencing and real-time online learning. Instructors and students synchronously meet in the virtual classroom through Zoom. Instructors and students access Zoom through Blackboard.

If you have any questions regarding the use of the system, please send an email to TLC@ieu.edu.tr.

OBS

OBS (Student/Academic Information System) is the web-based student information system at Izmir University of Economics. Procedures such as course confirmations, grading, and tracking class attendance are all done through this system.

To enter OBS:

1. Go to <https://obs.izmirkonomi.edu.tr/oibs/acd/login.aspx>
2. Enter your User ID, Password and the "Sum of the Numbers" and click the Login button.
3. Your user ID is your Turkish Republic Identity Number. If you do not know your password, enter the first 10 digits of your TR Identity Number to log in. then, update your password according to the criteria below.
4. When creating a new password, make sure that it has at least 12 characters, contains at least one uppercase and one lowercase letter, one special character (such as . , ? ! *), one number and does not contain Turkish characters (such as ü, ş, ı, ö, ç, etc.).

A detailed guide on how to use the system can be found at <https://www.ieu.edu.tr/tlc/en/akademisyenler-icin-akilli-kampus-destek>.

You can email your questions regarding the OBS to obsdestek@ieu.edu.tr.

Blackboard

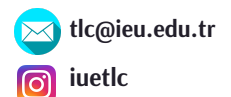

Blackboard is learning management system which enables instructors to manage and create their course materials, assignments and exams as well as easily communicate with their students online using blogs, forums and discussion boards.

For Instructors who will be accessing the Blackboard system for the first time, the process is as follows:

1. Go to <https://ieu.blackboard.com/>.
2. The new lecturers will be granted access approval after their information is entered into the OBS system by the Human Resources Department.
3. After the first step, go to <https://ieublackboardpass.ieu.edu.tr/home> and log in with your EKOID. On the screen that opens, you can set your password for the Blackboard system. If you wish, you can create your password the same as the one for EkolD and OBS.
4. When creating a new password, make sure that it has at least 12 characters, contains at least one uppercase and one lowercase letter, one special character (. , ? ! *), one number and does not contain Turkish characters (such as ü, ş, ı, ö, ç, etc.).

If you have any questions regarding the use of the system, please send an email to TLC@ieu.edu.tr.
