SUMMER SCHOOL PROGRAM

Introduction

KOREATECH (Korea University of Technology and Education)

KOREATECH was established by the government (Department of Labor) in 1991 with the special mission of fostering practical engineers and HRD experts. Through its proprietary "Engineering Education Model", KOREATECH offers a 50:50 combination of theory and practice with an emphasis on developing talents with strengths in practice.

Approximately 3,600 students are enrolled at the undergraduate level and 550 students in the graduate programs of KOREATECH.

KOREATECH SUMMER SCHOOL (KSS)

KOREATECH SUMMER SCHOOL(KSS) provides an enriched cultural and educational experience for foreign students. The program offers 3 weeks academic courses(3credits, ECTS 6credits/Korean people and society) and an intensive language course.

All courses are taught in English. All students will also have a chance to participate in special activities such as Taekwondo(Korean traditional martial art) and K-pop. Students will experience Korean life, language, and culture. Students will get a taste of genuine Korean hospitality!

Join us for the KOREATECH SUMMER SCHOOL.

Korean Language and Culture

The course is designed for international students who want to learn about 'Korean Language and Korean Culture' to understand Korea better.

The course will cover the central topics and issues in Korean language through cultural perspectives. For this purpose, this course introduces knowledge of Korean language, aspects of Confucian values and Korean people's 'Jeong' culture to you.

Eligibility

- Students recommended by International Office from KOREATECH's partner universities are eligible to apply for the program.
- Applicants need to be proficient in English as all the programs will be provided in English.
