

**2023-2024 ACADEMIC YEAR FALL SEMESTER  
REMAINING QUOTAS APPLICATION RESULTS FOR 2022-1-TR01-KA131-HED-000054738  
ERASMUS+ STUDENT MOBILITY FOR STUDIES  
MARCH 21, 2023**

1. Please find below the list of the students who apply to the remaining quotas for the 2023-2024 academic year **FALL** semester to benefit within the context of Erasmus+ Student Mobility.
2. The grant status for the substitute candidate is still valid and same as the previously announced results for the 2023-2024 academic year **FALL** semester.
3. The students who performed **virtual mobility** will not benefit from Erasmus grant.
4. The names and contact information of students who are selected for 2023-2024 Fall semester Erasmus student mobility for studies will be shared with their partner universities. Selected candidates must follow the application instructions sent by partner universities via e-mail. It is the responsibility of selected students to complete their applications to the partner universities. The candidates will also be informed regarding the processes of application by our office or the international office of receiving institution.
