2022 Project Period (2022-1-TR01-KA131-HED-000054738)
Erasmus+ Blended Intensive Programmes (BIPs) titled
"VUCA (Volatile, Uncertain, Complex, Ambiguous) environment"
Mobility for Studies
2nd Call Application Results

EXPLANATIONS

26.04.2024

1. The application results for 2022 Project Period Erasmus+ Blended Intensive Programmes (BIPs) titled "VUCA (Volatile, Uncertain, Complex, Ambiguous) environment" Mobility for Studies are listed below.

2. Blended intensive programs are short, intensive programs that use innovative ways of learning and teaching, including the use of online cooperation. Groups of higher education institutions will have the opportunity to organise short blended intensive programmes of learning, teaching and training for students and staff.During these blended intensive programmes, groups of students and/or staff as learners will undertake a short-term physical mobility abroad combined with a compulsory virtual component facilitating collaborative online learning exchange and teamwork.

3. This program is coordinated by The Hague University of Applied Sciences (THUAS).

4. The program will focus primarily on "VUCA (Volatile, Uncertain, Complex, Ambiguous)", and other topics including "Risk and Governance" and "Data Intelligence and Capacities".

5. The students who participate this program will receive 4 ECTS, which will be put on par with a course which will be determined by the Faculty Committee.

6. Results show the application results based on the evaluation criteria and quotas which were specified at the date of announcement.

7. The students who are selected for a partner university under International Student Exchange Programs but decided to withdraw their application must fill out a petition stating the reason of their non-participation and submit it to Office of International Affairs **until __April 29, 2024__ the latest**.
